

Hyatt's Camp Newsletter 2019

Well 2018 was a great year. We went to Costa Rica in March with Allison, Alex and Jared and we had a great time. But the highlight of the summer was Alex and Jared's wedding in August. It was a really fun time. We were very fortunate to have so many of our family and friends attend. I was surprised at just how tired we were after the big event.

Don had a busy fall with both bear and moose hunters, and he did a little trapping in November/December.

Manion Lake froze around the 11th of November, the other lakes froze later than that. We have been very fortunate that our temperatures have not dipped too cold so far this winter, I'm sure they will though.

Don guided his last moose hunters in 2018. It was a successful archery season as the group harvested 2 bull moose. We will no longer be offering moose hunts as our Outfitter tags have been reduced to the point that it is not feasible to have a moose hunt.

The spring and fall bear hunts will continue but we are limited to accommodating only 10 hunters in

Non-resident fishing licences for 2019:

There has been an increase in fishing licence fees however the service fee has been dropped.

Outdoors Card - \$9.68

1 year sport fishing - \$88.92

1 year conservation - \$56.17

8 day sport - \$58.05

8 day conservation - \$33.92

You can purchase your outdoors card and fishing licence at this website www.huntandfishontario.ca or you can purchase everything here. If you buy your licences here please remember to bring your outdoors card **even if it has expired**.

If you purchase your licences online please remember to print a copy and bring it with you. You may want to bring a plastic bag to store your licences as the new licensing system will just produce paper copies.

UPDATES

All rates will remain the same for 2019.

Going forward we will require guests who rent boats and motors to pay for any damages to props.

There will now be a \$25.00 per person charge for guests who rent a boat and wish to do a day trip to Moosetrack.

Don is not planning on doing any major project this year, but there are always small ongoing projects in the cabins.

Thank you for choosing Hyatt's Manion Lake Camp for your fishing or hunting destination. We value not only your business but your friendship as well.
